Appendix B – Texas Education Code

The 2010 Accountability Rating System for Texas Public Schools and School Districts was developed based on statutory mandates of the Texas Legislature. The majority of the relevant legislation is contained in TEC Chapter 39. Public School Accountability. The following table of contents references statute in TEC as it existed prior to the changes made by the 81st legislative session in 2009. This statute is in effect through the 2010-2011 school year. The full text of Chapter 39 from the 80th Legislature is available at:
